Bank Holiday 8th May 2023

Virtue of the week- perseverance

Highlights of the week

Congratulations and a super well done to all the Year 2 children who worked their socks off this week! They worked so hard especially during their Reading assessments. Well done and High 5's to everyone.

Year 1 took part in some Road Safety workshops this week. Being safe on the roads is an important life skill to have. We hope to have more Road Safety events for Yr 1 later in the summer term.

Congratulations to the children who celebrated their First Holy Communion last weekend. We hope that it was a special and memorable day for everyone.

After School Clubs

This half term is a very short one with two bank holidays and some important assessments taking place for our children. Rather than run very short clubs, we have decided to resume after school clubs fully after half term. Look out for more information coming up.

Attendance and Punctuality

For the last weeks of the Summer term we are focusing on punctuality as well as attendance.

Being late by 10 mins every day across a week means that children miss almost an hour of learning.

It is also quite tricky walking into a classroom when everyone has already started to work too.

Music

The composer this week is Scott Joplin. He was an American composer and pianist. Joplin is also known as the King of Ragtime because of the fame achieved for his ragtime compositions, music that was born out of the African-American community. A very influential composer!

Safeguarding Spotlight

Speak-Shout-Share

The nspcc have excellent advice on how children and families can open up about things that worry them, including safeguarding concerns. When we are on half-term it is Speak-Shout-Share week.

Remember adults in school are: Class staff, Office Staff, Welfare Staff, Premises Staff, Senior Leaders- Miss Taylor, Ms Canavan, Mr Lewis, Ms Trayer, Miss Bowman and Mrs Hulme.

**Have a lovely weekend. We look forward to seeing you
bright and early on Monday!**
