Children should not be brought to school too early. The school day starts at 8:55 a.m.

Infant children are invited into school from the playground at 8.50 a.m. This enables parents to talk briefly to the class teacher should they wish to do so. Children will then be ready to begin learning at 9:00 a.m.

Junior children enter the school, grounds via the Junior gate and enter the school building from 8:50 a.m. and are collected and brought into school by members of staff.

All the children are then in school and ready to start work at 9.00 a.m. Parents are requested to see that their children do not arrive more than ten minutes before 8.50 a.m., as there is no supervision of the playgrounds before morning school at 8:50 a.m.
